

Empathy Map

Date	29 September 2026
Team ID	SWTID-2026-4005
Project Name	PocketSmart AI
Maximum Marks	4 Marks

Persona: Student / Young Professional Managing Personal Expenses

SAYS	THINKS
• I want to know where my money goes. • I need an easy way to record expenses. • I want to save for goals.	• Am I overspending this month? • Which categories consume most of my budget? • Can AI help me understand my habits?
DOES	FEELS
• Adds transactions. • Reviews charts and monthly trends. • Sets budgets and savings goals. • Uses receipt scanning and exports data.	• Wants control and clarity. • Can feel uncertain about spending decisions. • Feels encouraged when progress is visible.
